Approved by: All India Council for Technical Education (AICTE), New

Recognized by: Directorate of technical Education (DTE), Govt. of  
Maharashtra

Affiliated to: Maharashtra State Board of Technical Education (MSBTE)

## Department of Electronics and Telecommunication Engineering

### 2016-17 Project list

| Sr. No. | Name of Project   |
|---------|---|
| 1       | Traffic monitoring & controlling system using SCADA over conveyer belt. |
| 2       | Flow Monitoring system using PLC and SCADA.                             |
| 3       | Web based plant monitoring and controlling.                             |
| 4       | Accident alert system using GSM & GPS.                                  |
| 5       | IOT based industrial automation.  |
| 6       | Tyre Pressure Monitoring System.  |
| 7       | Voice based home automation.  |
| 8       | Zigbee based Application.   |
| 9       | Automatic car washing system using PLC.                                 |
| 10      | Microcontroller based LPG detection using GSM module.                   |
| 11      | RC5 based temperature controller.                                       |
| 12      | IOT based home automation.  |
